In view of the current and rapidly evolving COVID-19 outbreak, the Company encourages Shareholders not to attend the Meeting in person. No more than 10 persons will be permitted to attend in person at the in-person location for the Meeting. The Company may take additional precautionary measures in relation to the Meeting in response to further developments in the COVID-19 outbreak. As always, the Company encourages Shareholders to vote prior to the Meeting.

Shareholders are encouraged to vote on the matters before the meeting by proxy and to join the Meeting by teleconference. To access the Meeting by teleconference, dial toll free in Canada and the US at 1-877-385-4099 or locally and internationally at 604 899-2399, Participant Code 6899676#.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, regular officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for the cost incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their

related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment and Revocation of Proxy

Registered Shareholders

Registered Shareholders are entitled to vote at the Meeting. A Shareholder is entitled to one vote for each common share in the capital of the Company (“Common Shares”) that such Shareholder holds on September 17, 2020 (the “Record Date”) on the resolutions to be acted upon at the Meeting and any other matter to come before the Meeting. The persons named as proxy holders (the “Designated Persons”) in the enclosed form of proxy are directors and/or officers of the Company.

In order to be voted, the completed form of proxy must be received by the Company’s registrar and transfer agent, Computershare Investor Services Inc., at their offices located at 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1 (Tel: 1 800 564 6253), at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled commencement of the Meeting or an adjournment of the Meeting.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder’s attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer, or attorney-in-fact for, the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarial copy thereof, should accompany the form of proxy.

A Shareholder who has given a proxy may revoke it at any time, before it is exercised, by an instrument in writing: (a) executed by that Shareholder or by that Shareholder’s attorney-in-fact authorized in writing or, where that Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation and (b) delivered either: (i) to the Company at #203-700 West Pender Street, Vancouver, BC V6C 1G8 (Attention: Mark Jarvis) at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof; (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof; or (iii) in any other manner provided by law. Also, a proxy will automatically be revoked by either: (a) attendance at the Meeting and participation in a poll (ballot) by a Shareholder or (b) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the notice of meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations, or other matters to come before the Meeting. **The shares represented by a Shareholder’s proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for. If the Shareholder specifies a choice with**

respect to any matter to be voted upon, the shares represented by that Shareholder's proxy will be voted accordingly.

In the case of abstentions from or withholding of the voting of Common Shares on any matter, the shares which are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

A Shareholder has the right to appoint a person to attend and act for him on his behalf at the Meeting other than the persons named in the enclosed instrument of proxy. To exercise this right, the Shareholder must strike out the names of the persons named in the instrument of proxy and insert the name of his nominee in the blank space provided, or complete another instrument of proxy. Such Shareholder should notify the nominee of the appointment, obtain the nominee's consent to act as proxy and should provide instruction to the nominee on how the Shareholder's shares should be voted. The nominee should bring personal identification to the meeting.

If no choice is specified in the proxy with respect to a matter to be acted upon, the proxy confers discretionary authority with respect to that matter upon the designated persons named in the form of proxy. It is intended that the designated persons will vote the common shares represented by the proxy in favour of each matter identified in the proxy and for the nominees of the company's board of directors for directors and auditor.

However, in view of the current and rapidly evolving COVID-19 outbreak, the Company encourages Shareholders not to attend the Meeting in person. No more than 10 persons will be permitted to attend in person at the in-person location for the Meeting. Shareholders are encouraged to vote on the matters before the meeting by proxy and to join the Meeting by teleconference. To access the Meeting by teleconference, dial toll free in Canada and the US at 1-877-385-4099 or locally and internationally at 604 899-2399, Participant Code 6899676, followed by #.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the common shares on any matter, the common shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

Non Registered Shareholders

The information set out in this section is of significant importance to those Shareholders who do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person well in advance of the Meeting.**

Regulatory policies require intermediaries to seek voting instructions from Beneficial Shareholders in advance of a shareholders' meeting. Beneficial Shareholders have the option of either not objecting to their intermediary disclosing certain ownership information about themselves to the Company (such Beneficial Shareholder are designated as non-objecting beneficial owners, or "NOBOs") or objecting to their intermediary disclosing ownership information about themselves to the Company (such Beneficial Shareholders are designated as objecting beneficial owners, or "OBOs").

In accordance with the requirements of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Company has elected to send the notice of meeting, this Information Circular and a request for voting instructions (a "VIF") instead of a proxy (the notice of meeting, Information Circular and VIF or proxy are collectively referred to as the "Meeting Materials"), directly to the NOBOs and indirectly through intermediaries to the OBOs. The intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to the OBOs.

Meeting Materials sent to Beneficial Shareholders are accompanied by a VIF, instead of a proxy. By returning the VIF in accordance with the instructions noted on it, the Beneficial Shareholder is able to instruct the intermediary (or other registered shareholder) how to vote the Beneficial Shareholder's shares on the Beneficial Shareholder's behalf. For this to occur, it is important that the VIF be completed and returned in accordance with the specific instructions noted on the VIF.

The majority of intermediaries now delegate responsibility for obtaining instructions from Beneficial Shareholders to Broadridge Investor Communication Solutions, Inc. ("Broadridge") in Canada. Broadridge typically prepares a machine-readable VIF, mails these VIFs to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge, usually by way of mail, the internet or telephone. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting by proxies for which Broadridge has solicited voting instructions. If you have any questions respecting the voting of shares held through an intermediary, please contact that intermediary for assistance.

In either case, the purpose of this procedure is to permit Beneficial Shareholders to direct the voting of the shares which they beneficially own. **A Beneficial Shareholder receiving a VIF, through Broadridge or another intermediary, cannot use that form to vote Common Shares directly at the Meeting. Beneficial Shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.** Should a Beneficial Shareholder who receives a VIF wishes to attend the Meeting or have someone else attend on their behalf, the Beneficial Shareholder may request a legal proxy as set forth in the VIF, which will grant the Beneficial Shareholder or their nominee the right to attend and vote at the Meeting.

Only Registered Shareholders have the right to revoke a proxy. A Beneficial Shareholder who wishes to change its vote must, at least seven (7) days before the Meeting, arrange for its intermediary to revoke its VIF on its behalf.

All references to Shareholders in this Information Circular and the accompanying instrument of proxy and notice of meeting are to Registered Shareholders unless specifically stated otherwise.

The Meeting Materials are being sent to both registered and non-registered owners of the Company's shares. If you are a Beneficial Shareholder and the Company or its agent has sent the Meeting Materials directly to you, your name and address and information about your holdings of the Company's securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send the Meeting Materials to you, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering the Meeting Materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the VIF.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as otherwise disclosed herein, no: (a) person who has been a director or executive officer of the Company at any time since the beginning of the Company's last financial year; (b) proposed nominee for election as director of the Company; and (c) associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any of the matters to be acted upon other than the election of directors and the appointment of auditors.

CORPORATE GOVERNANCE DISCLOSURE

National Instrument 58-101 *Disclosure of Corporate Governance Practices*, requires all reporting issuers to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the “Guidelines”) adopted in National Policy 58-201 *Corporate Governance Principles*. These Guidelines are not prescriptive, but have been used by the Company in adopting its corporate governance practices. The Company’s corporate governance policies and mandates may also be publicly viewed on the Company’s website at www.gigametals.com.

Board of Directors

Independence of Members of Board

The Company’s current Board consists of five directors, three of whom are independent based upon the tests for independence set forth in NI 52-110. Assuming the election of five directors as per the resolutions being put forward by the Board, three of the directors, Messrs. Lyle Davis, Anthony Milewski and Robert Morris would be independent. Mr. Mark Jarvis is not independent as he is the Chief Executive Officer of the Company. Mr. Martin Vydra is not independent as he is the President of the Company.

Management is nominating five (5) individuals to the Company’s Board: Mark Jarvis, Lyle Davis, Martin Vydra, Robert Morris and Anthony Milewski

The Guidelines suggest that the Board of every reporting issuer should be constituted with a majority of individuals who qualify as “independent” directors under National Instrument 52-110 *Audit Committees* (“NI 52-110”), which provides that a director is independent if he or she has no direct or indirect “material relationship” with the Company. A “material relationship” is a relationship which could, in the view of the Company’s Board, be reasonably expected to interfere with the exercise of a member’s independent judgment.

The operations of the Company do not support a large board, and the Board has determined that a Board of four persons is appropriate for the Company’s current stage of development. In the event of a conflict of interest at a meeting of the Board, the conflicted director will, in accordance with corporate law and in accordance with his or her fiduciary obligations as a director of the Company, disclose the nature and extent of his or her interest to the meeting and abstain from voting on or against the approval of such participation.

Participation of Directors in Board Meetings

For the year ended December 31, 2019, four regular board meeting were held. All directors were in attendance, either in person or via teleconference.

Board Mandate

The Board is responsible for the conduct of the Company’s affairs generally. The Board is responsible for reviewing and approving the Company’s operating plans and budgets as presented by management.

The Board is responsible for identifying the principal risks of the Company's business and for ensuring these risks are effectively monitored and mitigated to the extent practicable. Succession planning, including the recruitment, supervision, compensation and performance assessment of the Company's senior management personnel, also fall within the ambit of the Board's responsibilities. The Board is responsible for ensuring effective communications by the Company with its shareholders and the public and for ensuring that the Company adheres to all regulatory requirements with respect to the timeliness and content of its disclosure. In keeping with its overall responsibility for the stewardship of the financial affairs of the Company, the Board created an Audit Committee which is responsible for the integrity of the Company's internal control and management information systems.

The Board is responsible for approving annual operating plans recommended by management. Board consideration and approval is also required for all material contracts and business transactions and all debt and equity financing proposals.

The Board delegates responsibility to management for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing the Company's cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements.

The Board believes the Company is well served and the independence of the Board from management is not compromised. The Board does not have and does not consider it necessary under the circumstances to have, any formal structures or procedures in place to ensure that the Board can function independently of management. The Board believes that its current composition is sufficient to ensure that the Board can function independently of management.

Position Descriptions

Given the small size of the Company, the board does not have written position descriptions for its chairman or its committee chairs. The Board delineates the role and responsibilities of these individuals through reference to industry norms, past practice and in the case of the CEO, through his employment contract with the Company.

The Chairman is independent of management and is responsible for leading the discussion and ensuring that the Board convenes as often as is required in order to meet the needs of the Company. In addition, the Chairman also meets with the CEO on a regular basis to help with this function. The Audit Committee has a chair and a charter which charter provides structure and guidance with respect to the roles of the board, committee and the chair. In addition, the chair of the Audit Committee is independent of management. The Disclosure Committee does not have a written description for the chair. The Chair of the Disclosure Committee is independent from Management and has a Corporate Disclosure Policy which provides of timely, factual and accurate disclosure of all corporate information to Security holders of the Company and to the public.

Nomination of Directors

The Board has a nominating committee. The Board considers its size each year when it passes a resolution determining the number of directors to be appointed at each annual general meeting of Shareholders. The Board has determined that the configuration of five (5) directors proposed at the Meeting is the appropriate number of directors, taking into account the number required to carry out duties effectively while maintaining a diversity of views and experiences.

The disclosure committee is responsible for ensuring compliance with the Company's corporate disclosure policy, which provides for timely, factual and accurate disclosure of corporate information to security holders and to the public. The members of the disclosure committee are those persons who from time to time occupy the following offices of the Company: chief executive officer, chief financial officer, the chairman of the Board, the President and the corporate secretary.

Please refer to the section entitled “Audit Committee” and Schedule “A” *Audit Committee Charter* for more information regarding the Audit Committee.

Assessments

Due to the size of the Company’s current Board, the Board does not formally review individual Board members or committee members and their contributions. The Board is of the view that the Company’s shareholders are the most important assessors of Board performance and that they provide the most effective, objective assessment of the Board’s performance.

PARTICULARS OF MATTERS TO BE ACTED UPON

The TSX-V requires that listed issuers must disclose on an annual basis, in their information circulars, the terms of their security based compensation arrangements and any amendments that were adopted in the last fiscal year. Accordingly, the Company is providing the disclosure below.

Stock Option Plan

The Shareholders will be asked to approve the unallocated options issuable pursuant to the Plan every year in accordance with the rules and policies of the TSX-V. Therefore, the Shareholders will be asked for such approval at the annual meeting of the shareholders of the Corporation.

The only security based compensation arrangement which the Company has in place is the amended and restated stock option plan (the “Plan”), which was approved by the Company’s Shareholders at the Company’s annual general and special meeting held on June 27, 2008. The Company amended and restated its previous stock option plan (approved by Shareholders at the Company’s 2004 annual general meeting) (the “2004 Plan”) to meet the requirements of the policies of the TSX-V as set out in the TSX-V Company Manual (the “Manual”). The Company also made certain amendments to the 2004 Plan, to allow for beneficial tax treatment of incentive stock options by certain eligible persons who are subject to tax in the United States.

The purpose of the Plan is to advance the interests of the Company by encouraging the directors, officers, employees, consultants and management company employees of the Company to acquire Shares in the Company, thereby increasing their proprietary interest in the Company, encouraging them to remain associated with the Company and furnishing them with additional incentive in their efforts on behalf of the Company in the conduct of their affairs.

The rules of the TSX-V provide that all unallocated options issuable under a “rolling” stock option plan must be approved by Shareholders every year after the institution of the stock option plan.

Eligible Participants

Stock options (“Options”) to purchase Shares may be granted to the following persons under the Plan:

- a) Eligible Employees (as defined in the Plan);
- b) Service Providers (as defined in Section 613(b) of the Manual);
- c) directors;
- d) consultants; and
- e) such other persons as the plan administrator will select, subject to applicable laws.

Securities Available for Issuance under the Plan

Subject to adjustment as provided in Section 13 of the Plan, the Options to be offered under the Plan consist of authorized but unissued Shares of the Company. The aggregate number of shares to be delivered upon the exercise of all Options granted under the Plan cannot exceed an amount equal to 10% of the issued shares of the Company at the time of any granting of Options (on a non-diluted basis). Based upon 69,892,977 Shares outstanding on the Record Date, this amounts to 6,958,298 Shares.

The Company on September 17, 2020 had 1,785,000 Options issued and outstanding under the Plan, representing 2.55% of the Company’s then issued and outstanding Shares (on a non-diluted basis).

Issuances to Insiders

The Plan limits the number of Options which may be granted under the Plan to Insiders (as defined under applicable laws) as follows:

- a) the number of Shares reserved for issuance with respect to options granted to Insiders cannot exceed ten percent (10%) of the issued and outstanding Shares on the grant date;
- b) the issuance to Insiders, within a one year period, cannot result in a number of Shares issued to Insiders exceeding ten percent (10%) of the issued and outstanding Shares; and
- c) the issuance of Shares to any one Insider, within a one year period, cannot exceed five percent (5%) of the issued and outstanding Common Shares.

Issuances to Individuals

The Plan limits the number of Options which may be granted under the Plan to any individual. No person is eligible to receive Options to purchase more than 5% of the issued and outstanding Shares (subject to adjustment as set forth in Section 13 of the Plan). Additionally, the number of Options granted to persons employed in investor relations activities and to consultants is limited to 2% of the issued and outstanding Shares.

Option Price

The exercise price of each Option is determined by the plan administrator in accordance with applicable laws, including the Manual and, for certain Options, the United States Internal Revenue Code of 1986. The exercise price per Share cannot be less than the closing trading price of the Shares on the TSX-V on the last trading day preceding the date on which the Option is granted (or if the Shares are not then listed and posted for trading on the TSX-V, on such other stock exchange or quotation system on which the Shares are listed and posted for trading as may be selected by the Board). In the event that the Shares are not listed and posted for trading on any stock exchange or other quotation system, the exercise price will be the fair market value of the Shares as determined by the plan administrator. Additional restrictions on the exercise price of Options are stated in Section 4.1(c) of the Plan.

Vesting

The Plan provides that no Option will be exercisable until it has vested. The plan administrator may, in its sole discretion, determine the time during which Options will vest and the method of vesting or that no vesting restriction will exist. The vesting of one or more outstanding Options may be accelerated by the plan administrator at such times and in such amounts as it will determine in its sole discretion.

Term

Subject to Sections 11 and 12 of the Plan, the term of each Option (the "Option Period") is a period of time fixed by the plan administrator, not to exceed the maximum period permitted by any stock exchange or quotation system on which the Shares are then listed or other regulatory body having jurisdiction.

Termination

The Plan provides that, if an Optionee ceases to be a director, officer, employee or consultant, as the case may be, of the Company for any reason (other than death), that person may, but only within 90 days next succeeding his ceasing to be a director, officer, employee or consultant, exercise his Option to the extent that he was entitled to exercise it at the date of such cessation provided that, in the case of such person who is engaged in investor relations activity on behalf of the Company, the 90 day period will be shortened to 30 days. In the case of termination of employment or contractual relationship with the Company or its subsidiaries for cause (as determined in the sole discretion of the plan administrator), the Options will terminate immediately.

In the event of the death of an Option holder, the Option previously granted to him is exercisable only within the 12 months next succeeding such death and then only:

- a) by the person or persons to whom the Option holder's rights under the Option will pass by the Option holder's will or the laws of descent and distribution of the Option holder's domicile at the time of death; and
- b) if and to the extent that he was entitled to exercise the Option at the date of his death.

Transferability

All benefits, rights and Options accruing to the Option holder in accordance with the terms and conditions of the Plan are not transferable or assignable unless specifically provided for by the Plan.

Amendment

The plan administrator may, at any time, suspend or terminate the Plan. The Board may, subject to such approvals as may be required under the rules of any stock exchange or which the Shares are then listed, or other regulatory body having jurisdiction or any applicable securities laws, also at any time amend or revise the terms of the Plan, provided that no such amendment or revision will alter the terms of any Options granted under the Plan prior to such amendment or revision.

Notwithstanding the foregoing, the events triggering acceleration of vesting of outstanding Options may be modified, expanded or eliminated without the consent of Option holders and the plan administrator may modify grants to persons who are eligible to receive Options under this Plan who are foreign nationals or employed outside Canada and the United States to recognize differences in local law, tax policy or custom.

So long as it remains a policy of the TSX-V, or such other stock exchange or quotation system on which the Company's Shares are listed and posted for trading, the Company will obtain disinterested

shareholder approval for any reduction in the exercise price of the Option if the Option holder is an Insider of the Company at the time of the proposed amendment.
